

DELUXE UNDERBENCH SYSTEM

FUBR1

Code: FUBR1

Point of use water purifier with simple, DIY filter change. Providing beautiful tasting drinking and cooking water at the kitchen sink.

Lever action, easy to use Lux water filter tap with 1 year replacement filter life.

The 1 micron Carbon block filter reduces Chlorine, herbicides, pesticides, chemicals, Giardia, taste and odour, just how you like it.

12 Month filter life.

Plumbing take off valves to suit 15 mm flexi pipes and 20 mm dishwasher taps.

Pressure reducing valves to be used if water pressure exceeds 115 PSI.

Automatic customer care filter replacement program.

Lifetime warranty on filter tap assembly only (as long as replacement filters from Filters and Fountains are used and replaced when due).

To be installed by a registered plumber.
