

DELUXE UNDERBENCH SYSTEM

FUBIN1

Code: FUBIN1

Point of use water purifier with simple, DIY quick connect 1 micron filter.
Providing beautiful tasting drinking and cooking water for the homeowner.
Lever action, easy to use water filter tap with 2 year replacement filter life.
The 1 micron Carbon and KDF media filters down to 1 micron in pore size and reduces chlorine and THM by products, heavy metals, chemicals, herbicides, pesticides taste and odour.
Plumbing take off valves to suit 15mm flexi pipes and 20mm dishwasher taps.
Pressure reducing valves (optional) for high water pressure.
Automatic customer care filter replacement program.
Lifetime warranty on filter tap assembly only (as long as Filters and Fountains replacement filters are used and replaced when due).

To be installed by a registered plumber.
